June 30, 2018

Hello,

XL, the leader in fleet electrification, sells hybrid and plug-in hybrid conversion systems to enable commercial and municipal fleets to quickly and efficiently reduce transportation fuel consumption, lower operating costs, and measure performance to meet corporate sustainability goals. The following XL products are available to customers in the USA and Canada:

Hybrid systems:

Ford E-Series Cutaway and Stripped Chassis
Ford Transit Vans
Ford F-250 Pickup Truck
GM Express Vans
GM Express Cutaways
Ford F-59
Isuzu Reach

Plug-in hybrid systems:

Ford F-150 Pickup truck

XL certifies that its hybrid and plug-in hybrid conversion systems qualify to the following Buy America Standards:

The cost of the components and subcomponents produced in the U.S. must be more than:

- *60 percent for FY2016 and FY2017*
- *65 percent for FY2018 and FY2019*
- *70 percent for FY2020 and beyond*

Thank you,
Edward Tepper

Supply Chain Manager
